## Entries

Entries are open to all clubs affiliated to IDBF Members provided those Members have paid their membership fees for 2024 and any other outstanding amounts due to the IDBF.

All entries to the 14<sup>th</sup> IDBF Club Crew World Dragon Boat Championships must be sanctioned by the IDBF Member to which that crew belongs. Subject to the agreement of the IDBF Executive Committee, clubs from countries or territories where there is not an IDBF member, may also compete.

Entry fees have two components: an amount paid to IDBF (the 'IDBF Registration Fee') and an amount paid to the event organizer (the 'Event Administration Fee').

**IDBF Registration Fee:** The IDBF registration fee for competitors, coaches and officials is US\$50 for aged 19 and over and US\$25 for aged 18 years and under in 2024 regardless of the competition class the person is competing in. The IDBF registration fee must be **paid by Thursday 1st August**, otherwise a late fee of US\$100 per crew will be applied. Any outstanding bank fees are payable by the team.

As all Named Entries are due by 30<sup>th</sup> June, IDBF will commence invoicing your club based on the entry date of 30 June and the invoice will be sent to the nominated contact on the registration application. It is the responsibility of the team manager to ensure the payment is completed. IDBF bank details and instructions are listed on the invoice for payment.

Any cancellation to participants will not be reimbursed. Any additional after 30 June will incur an administration fee of US\$20 per person.

The full amount of the invoice is payable, meaning all bank costs are fully the responsibility of the sender of the money. Should IDBF not receive the full amount then any difference is payable to IDBF at registration. When coming to the IDBF registration desk, please ensure you bring all documents with you including a copy of your bank transfer. The bank transfer must state the Invoice Number and Club name. IDBF does not have credit card facilities.

Kindly send a copy of the bank transfer to [treasurer@dragonboat.sport](mailto:treasurer@dragonboat.sport) and [deputy-treasurer@dragonboat.sport](mailto:deputy-treasurer@dragonboat.sport)

## Anti-Doping

---

IDBF is a signatory to The World Anti-Doping Agency (WADA). IDBF is committed to ensuring that its athletes comply with WADA requirements and WADA-run testing will be conducted at 14<sup>th</sup> CCWC.

### Anti-Doping Requirements for the 14<sup>th</sup> Club Crew World Championships

In continuing the expansion on the important education of our athletes and support personnel in accordance with WADA, the IDBF has made it a mandatory requirement for the following athletes and all coaches to complete or have completed an Anti-Doping course before being eligible for registration/accreditation at the 14<sup>th</sup> CCWC 2024 in Ravenna:

- Premier – International Level Athlete (ILA)
- Senior A - National Level Athlete (NLA)
- Senior B – National Level Athlete (NLA)
- 24U – National Level Athlete (NLA)
- Juniors – Talented Athlete
- Paradrasons – National Level Athlete
- Coaches – High Performance Coach (HPC)

For those who have not already completed an ADEL Anti-Doping Course do not forget to complete the appropriate course by **30<sup>th</sup> April 2024**.

Any athletes with a current Anti-Doping course certificate must make sure it is valid until 8<sup>th</sup> September.

The Team Manager should collect ALL certificates and submit them in folders according to divisions to (Premier, Sen. A, Sen. B...): [chair-medical@dragonboat.sport](mailto:chair-medical@dragonboat.sport) by **30<sup>th</sup> April 2024**.

For more information, please see the information newsletter sent out to all national federations dated 8<sup>th</sup> February 2024 or under Newsletters on the IDBF Anti-Doping website.

### Therapeutic Use Exemptions (TUE)

Athletes who take substances or use methods prohibited by WADA are liable for expulsion from IDBF events and their teams may face disqualification. However, IDBF (and WADA) understand that sometimes there are overriding medical reasons for use of prohibited substances or methods and their use can be permitted on acceptance by IDBF of a Therapeutic Use Exception Application Form (TUE). The list of substances and methods prohibited by WADA can be found at: <https://www.wada-ama.org/en/content/what-is-prohibited>

**Global Dro** is also a useful website to check medications - [Global DRO - Home-](#)

The TUE and information on the TUE process along with Checklists are available for download from the IDBF website site. Please note the following points when preparing a TUE:

1. Inform your doctor that you are an athlete. If any of your medications are prohibited ask your doctor for a suitable alternative that is not prohibited.
2. **Only** those prescribed medications that are on the prohibited list require a TUE.
3. All medical evidence (diagnosis, medical history, test results etc. as stated on the TUE form at point 6) **must** be submitted with the TUE for it to be processed otherwise the TUE application will be returned. This can then be re-submitted once all required documentation has been collected.
4. All submissions of TUE to be in **PDF** document format.

**Premier** athletes and **Premier** support personnel TUEs must be submitted to [chair-medical@dragonboat.sport](mailto:chair-medical@dragonboat.sport) at least 30 days prior to the commencement of the Championship - **3<sup>rd</sup> August 2024**.

All other athletes and support personnel to submit to their National Anti-Doping Agency or to [chair-medical@dragonboat.sport](mailto:chair-medical@dragonboat.sport) for assessment at least 30 days prior to the commencement of the Championship - **3<sup>rd</sup> August 2024**.

See **IDBF website** for TUE Application form and IDBF TUE Checklist: <https://www.dragonboat.sport/anti-doping>

**Your attention is drawn to IDBF Regulation CR11 concerning drug abuse** and doping. Random drug testing will be conducted during the event. All tests will be set against the current WADA banned substances list as shown on the WADA Website. Members of the IDBF Medical and Sports Science Commission will be on hand to monitor the testing process.

#### **IDBF MSSC Advisory related to Anti-Doping - Life extension/anti-ageing therapies**

Competitors are advised that the use of testosterone boosting agents to theoretically combat the ageing process is prohibited under WADA and the IDBF Anti-Doping rules. The use of these agents by any route for life extension or to combat the ageing process is **not permitted** and no therapeutic use exemption will be granted for this purpose. Additionally, paddlers are advised that there is substantial evidence that they pose a serious health risk. Specifically note the following from the WADA rules:

- a) Females will not be granted a TUE for testosterone use; it is strictly prohibited.
- b) Males must have a documented organic cause of hypogonadism. A list of such causes is available on the IDBF website. Please see the Male Hypogonadism document. Essentially there must be testicular, genetic, or pituitary disease.
- c) Low testosterone level from ageing (andropause) is NOT a valid reason for a TUE.
- d) Self-disclosure of the use of a prohibited substance **without** a TUE is an Anti-Doping rule violation (ARDV).

Club Team Managers are to ensure that their competitors are familiar with the contents and advice given in the current edition of the IDBF Anti-Doping Policy – see <https://www.dragonboat.sport/anti-doping> and on the WADA website [www.wada-ama.org](http://www.wada-ama.org).

## Aiding and Abetting

Anyone who assists or incites, or otherwise encourages a competitor to indulge in drug abuse shall also be considered to have committed a drug offence and will be subject to the same disciplinary procedures as for a competitor or crew.

## ANNEX 1

---

### Paradragon

---

Bulletin 1 set out specific information relevant to Paradragon clubs and also explained that athletes would be permitted to represent a Paradragon club and another club. The information in this section supplements that provided in Bulletin 1.

**Certificates of Diagnosis.** Certificates of Diagnosis must be submitted by **Friday 26<sup>th</sup> July**. The certificate format can be found in IDBF's *Rules for Paradragon Racing* (Edition 1.3) available at:

<https://www.dragonboat.sport/wp-content/uploads/2023/12/IDBF-Rules-for-Paradragon-Racing-Edition-1.3-1.pdf>

Completed certificates (which must include passport-style photographs of the relevant athletes) are required for every Paradragon paddler living with an impairment. Certificates are not required for unimpaired paddlers, steerers (or helms/sweeps) and drummers.

Clubs are requested to submit certificates as soon as they become available and not wait to submit them in bulk. This will allow IDBF to commence development of provisional impairment 'scores' early, but will also benefit clubs; provisional scores will be issued as soon as they have been done thus assisting clubs with their planning.

Certificates must be submitted:

- by email to [chair-para@dragonboat.sport](mailto:chair-para@dragonboat.sport);
- in .pdf format; and
- by the required deadline.

Failure to conform to the above will result in affected paddlers not being permitted to compete in Paradragon races.

**Classifications at the Championships.** Selected paddlers from each club will be required to be classified in-person before the Championships start. If a paddler is selected for classification but does not attend for any reason and IDBF is unable to re-arrange the appointment, that paddler will not be permitted to paddle as an impaired member of a Paradragon crew.

**Equipment and adaptations.** Annex B of IDBF's *Rules for Paradragon Racing* (Ed. 1.3) provides guidance on equipment and adaptations. For detailed guidance on a specific issue, email [chair-para@dragonboat.sport](mailto:chair-para@dragonboat.sport).

However, for adaptations to seating that require strapping or other means of securing the paddler in any way, guidance **must be sought before the Championships**. IDBF may demand that video evidence be provided of trials that prove the paddler for whom the adaptation has been made can safely exit the boat in the event of a capsized. Unless IDBF is satisfied with the safety of the adaptation, it will not be permitted to be used at the Championships.

**Paradragon Chaperones.** The only non-crew members permitted to enter boat marshalling will be Paradragon Chaperones. Paradragon Chaperones are only permitted to assist those impaired athletes who require specialist support (emotional or physical).

Special passes will be issued to Paradragon Chaperones and applications for these passes must be made by the Club requiring them directly to [chair-para@dragonboat.sport](mailto:chair-para@dragonboat.sport) by **Sunday 23<sup>rd</sup> June**. Individuals requiring these passes must also be registered with IDBF as 'supporters' and appropriate fees paid.

Paradragon Chaperones are not permitted to enter boat marshalling carrying or wearing the race top being used by their club.

**Communications.** To assist Paradragon clubs, IDBF has established a WhatsApp group and will permit up to three representatives per club to join the group. Similar groups were formed informally for previous IDBF championships and proved invaluable in dealing with priority issues. Clubs who wish to participate should email [chair-para@dragonboat.sport](mailto:chair-para@dragonboat.sport). The WhatsApp group is open now.
